<b>\$15.00</b>	for another Tasting and Glass

### WHAT WE ASK OF YOU

- When having a tour of the Brewery OSH regulations state that we are unable to take intoxicated people through the factory. So start the party at our place and then there is no chance of disappointment if we can't let you through because you can't handle your drink. (OSH rule – not Tui Brewery!)
- No bottles or cans are to come off the bus (we don't want your rubbish thanks and our licence doesn't allow alcohol to be brought onto the premise).
- There will be broken glass around the factory, so please advise the guys to all wear covered in footwear. We have a couple of pairs of gummies, but I wouldn't put my bare feet in them!
- The Tui Brewery Girls don't wait for just anyone and we have several groups booked in at your tour time, it is therefore imperative to be at least 10 minutes early so we don't go around the factory without you.
- To abide by the Sale of Liquor Act especially in regards to minors and intoxicated persons. You are here to have fun, so show respect to the mecca (Tui HQ), others and most of all yourself.
- **MAKE SURE YOU HAVE A SOBER GUY OR GET A BUS.** Because Mangatainoka is such a small place, we don't have a local taxi service - they need to come from Palmerston North.

Even though you are here for a good time, the best Tui drinkers are the ones that are alive **SO DON'T DRINK AND DRIVE**. It is preferred that you provide a courtesy van for the safety of your guests, both to and from the venue.

Because Tui HQ is off the beaten track (so to speak), we thought we would give you a hand to make it a bit easier. We contacted the good guys at the local bus co and they have given us some pretty sharp prices as they love bringing people to "Toki". Give Tranzit a call on **0800 471 227** if you want a bus and a great deal.

## FAQ – ALL YOU NEED TO KNOW

### Q. HOW MANY PEOPLE CAN WE INVITE?

**A.** Tui HQ is ideally suited for both small and large groups. The main bar area flows nicely out to our huge garden bar, which is host to many of the native Tui birds and Tui beer icons. Marques can be erected to shelter you from the sun, it never rains in Mangatainoka. The bar area can hold 150 guests or up to 200 using the garden bar.

### Q. HOW DO WE GET TO TUI HQ?

**A.** Conveniently situated 30 minutes from Palmerston North, through the Manawatu gorge, 40 minutes north of Masterton and 1.5 hours south of Hawkes Bay. If travelling by bus, you will need to park in our VIP bus park inside the brewery.

### Q. BYO?

**A.** No, we are fully licensed and do not allow BYO. We know it's not always about the beer so we do offer a selection of juices and splits at the bar. **PLEASE DON'T BRING ALCOHOL INTO TUI HQ!**

### Q. ARE THERE OTHER ACTIVITIES WE CAN DO IN YOUR AREA?

**A.** Sure is, check out our web site **www.tuibrewery.co.nz** and see what there is on offer. There is a range of activities available on site or within 2 - 15min drive of the Tui Brewery

Any other questions, please give us a call on **(06) 376 0815**.
